2.1 Subject to any variation under condition 2.3 the Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer may wish to apply under any confirmation of order, purchase order, specification or other document).

2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's confirmation of order, purchase order, specification or other document shall form part of the Contract simply as a result of such document being referred to in the Contract.

2.3 These conditions apply to all the Company's sales and a variation to these conditions and any representations about the Goods and/or Services shall have no effect unless expressly agreed in writing, signed by a Director of the Company and

an official representative of the Buyer, and attached as an Appendix to these Conditions.

2.4 The Company and the Buyer acknowledge that they have not relied on any statement, promise or representation made or given by or on behalf of the other Party that is not set out in this Contract or order confirmation. Nothing in this condition shall exclude or limit the Company's liability or the Buyer's liability for fraudulent misrepresentation.

2.5 Each order or acceptance of a quotation for Goods and/or Services by the Buyer from the Company shall be deemed to be an offer by the Buyer to buy Goods and/or Services subject to these conditions.

2.7 No order placed by the Buyer shall be deemed as accepted by the Company until a written Order Confirmation document is e-mailed from the Company to the Buyer.

2.8 Any quotation given by the Company is on the basis that no Contract shall come into existence until the Company e-mails an Order Confirmation document to the Buyer.

2.9 All quotations are valid for a period of 30-days from their issue date provided that the Company has not previously withdrawn it, which will be done by e-mail to the Buyer.

## 3. COMPANY'S OBLIGATIONS

3.1 The Company shall use reasonable endeavours to supply the Goods and/or Services and to deliver the Deliverables to the Buyer, in accordance in all material respects with the Company's Proposal.

3.2 The Company shall use reasonable endeavours to meet any delivery dates agreed in writing between Parties or specified in the Company's Proposal, but any such dates shall be conditional on the schedules being kept by all related Parties to those dates, including but not limited to; receipt of a confirmation of order or the receipt of a purchase order from the Buyer, the delivery of Artwork, positive approval of visuals, positive approval of colour samples and the availability of Vehicles in accordance with the Company's proposal. In this respect, the schedule dates are estimates only and time shall not be of the essence for delivery of the

Goods and/or Services if any of those pertinent dates varies.

#### **4. BUYER'S OBLIGATIONS**

4.1 CO-OPERATION: The Buyer shall co-operate with the Company in all matters relating to the Goods and/or Services and provide to the Company, in a timely manner, a full and concise Purchase Order, correct content for artwork or correct artwork, plus any other information as the Company may require to ensure that the order is accurate in all respects and deliverable on the dates requested.

4.2 ARTWORK: The Buyer or their agent will provide 'print ready artwork' in accordance with the attached artwork specification supplied from the Company. Where the Buyer or their agent does not do this the Company reserves the right to charge the Buyer for Pre-Press time for each artwork piece and for each dimension in which it is required to convert the artwork into 'print ready artwork'. The Company's standard charge for Pre-Press time is £79.85 per hour.

4.3 PRELIMINARIES: Where the Buyer or their agent request the Company to carry out initial artwork, purchase images, engineer layouts or conduct site audits prior to issuing an order confirmation or purchase order, the cost relating to initial works will be included in a subsequent quotation or subsequent proposal from the Company. In situations where there is a delay issuing an order confirmation or purchase order, or an order confirmation or purchase order doesn't materialise, the Company will invoice the Buyer or their agent (whoever requested the initial work to be carried out) on a month-end time-spent basis. For the avoidance of doubt, the Company's standard charge for preliminary works will be £79.85 per hour and other costs incurred will be charged at cost.

4.4 DIMENSIONS (width or widths and height or heights of Goods): For Buyer supplied dimensions, or dimensions supplied by an agent of the Buyer (for example a vehicle bodybuilder), the Buyer will accept the Goods providing they are within 2% or +/- 10mm, whichever is less, of the supplied dimensions specified at the time of placing an order. For dimensions supplied by the Company, which will be the result of a vehicle audit, the

Company will specify and/or confirm those dimensions to the Buyer on the Order Confirmation, and the Buyer will accept the Goods providing they are within 2% or +/-10mm, whichever is less, of the supplied dimensions. In either situation, before production, the Company will supply a schematic 1:10 scaled visual with content for each piece or variant of creative for positive approval by the Buyer at the time of placing an order or during an order process.

4.5 COLOURS: Colour match is only achieved when the Buyer provides the Company with a physical printed piece to match to and/or specifies RAL numbers or coated Pantone numbers to be achieved for designated areas of block colour. Where the Buyer or their agent does not provide such information then the Buyer is deemed to accept the colours on the print(s) produced by the Company's 'print from file processes'.

4.6 PHYSICAL SAMPLES or TEST PRINTS: If requested, the cost of providing samples or test prints will be included in a Proposal or Contract provided by the Company to the Buyer. Where the Buyer requires a sample or test print prior to issuing an order confirmation or purchase order, the Company will provide such prints at a cost of £100 each for up to a maximum of 2 square metres of Traxx® banner print and/or vinyl print (This cost includes delivery of the samples). These charges are not refundable.

4.7 COMPANY'S RIGHT TO USE IMAGES: Unless refused in writing by the Buyer at the time of placing an order with the Company, then the Company will presume, and be so indemnified by the Buyer, that it has the Buyer's permission and/or that of their client, to use images or supplied photographs of the final work to demonstrate the Company's services in its marketing activity. If images or supplied photographs are used, it is the Company's policy to make an image or written reference to the Buyer and/or their client.

4.8 POSTPONEMENT or CANCELLATION: The Buyer can postpone or cancel an order for goods and/or Services at any time. RGVA Ltd will invoice the Buyer on a pro-rata basis for all Goods already produced, all materials purchased against the order and all costs related to and if appropriate, Services already delivered, or a Cancellation Fee for Services planned to be

delivered. The Cancellation Fees for Services planned are £150 per person, per half day and/or £250 per person, per full day if the cancellation is made within 48 hours from the planned commencement of work date.

#### **5. DELIVERY AND ACCEPTANCE PRIOR & AFTER INSTALLATION**

5.1 If requested by the Buyer, where Goods relate to the supply of multiple sets, the Company will include in its Proposal or Contract the cost of 1 physical sample or 1 test print for the Buyer to inspect and approve the Goods prior to further Goods being supplied by the Company. It is the Buyer's sole responsibility to inspect the Goods, either at an address specified by the Buyer or at the Company's premises before further production takes place. Inspection should cover; dimension, materials used, colour, print quality, finishing and packaging.

5.2 If requested by the Buyer, where Goods and/or Services relate to multiple vehicles or the rebrand of a fleet, the Company will include in its Proposal or Contract the cost of 1 working prototype for the Buyer to inspect and approve the Goods and/or Services prior to further Goods and/or Services being supplied by the Company. It is the Buyer's sole responsibility to inspect the Goods, either at an address specified by the Buyer or at the Company's premises before further production takes place. Inspection should cover; dimension, materials used, colour, print quality, alignment, accuracy of fitment, and style of finishing.

5.3 In accordance with clause 5.1 and/or 5.2, if the Buyer, at the Buyer's discretion, chooses not to approve or carry out this inspection and the Goods are produced and Services are delivered, then all costs relating to takedown, reprint, reinstallation, remedial work, subsequent loss of media value or any other claims are the sole responsibility of the Buyer.

5.4 If for any reason the Buyer fails to accept delivery of any of the Goods when they are ready for delivery, the Buyer shall be liable for all related costs and expenses including, without limitation, storage and insurance. For the avoidance of doubt, any payment due upon delivery still remains due on the original date of delivery, and any credit term agreed between the Company and the Buyer will

commence on the original date of delivery, even if the Buyer requests a delay to the delivery.

5.5 Where specified in the Proposal or Contract, the Company may split delivery of the Goods and/or Services. Each delivery shall be invoiced and paid for in accordance with the provisions of the Contract. Services will be invoiced on completion and shall be invoiced and paid for in accordance with the provisions of the Contract.

5.6 If a delivery or installation schedule is changed by the Buyer, or changed by another party related to the Buyer, and those changes materially alter the cost for the Company to deliver the order, the Company will complete the relevant work under the financial provisions of the original order confirmation and seek further authorisation from the Buyer to accommodate a new schedule.

5.7 Subject to the other provisions of these conditions, the Company shall not be liable for any direct, indirect or consequential loss (all three of which include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods, even if any delay is caused by the Company's negligence.

5.8 If in the Buyer's reasonable opinion the Goods and/or Services supplied by the Company are not in accordance with the order, the Buyer shall reject them by giving notice in writing (Rejection Notice) within 7-working days of delivery stating in what respect he believes the Goods and/or Services are deficient.

5.9 In the event of a Rejection Notice, the Buyer shall make the Goods, or the vehicles displaying the Goods, available to the Company for inspection. If the Goods and/or Services have not met the specification, the Company shall repair or replace them.

5.10 If the Buyer fails to issue a Rejection Notice or if the Buyer makes use of the Goods, then acceptance of the Goods and/or Services shall be deemed to have occurred (Acceptance).

5.11 The Company will only issue credit notes against rejected Goods if they have not been used for their intended purpose.

5.12 Any delivery sent by the Company to the Buyer via courier should be signed for as 'unchecked' or 'damaged'. Failure to do so will prevent the Company from making a claim against the courier and the Company will deem that the Goods have been Accepted by the Buyer.

## 6. RISK & TITLE

6.1 The Goods are at the risk of the Buyer from the date and time of delivery.

6.2 Ownership of the Goods shall not pass to the Buyer until the Company has received in full all sums due to it in respect of the Goods.

6.7 The Buyer grants the Company, its agents and employees, an irrevocable licence at any time to enter premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them or to make them available to recover, which in the case of Goods and/or Services that have been incorporated into or onto a vehicle or vehicles, means returning the vehicle or vehicles to the premises of the Company so they may be removed.

6.8 Where the Company is unable to determine if the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold the Goods as they were invoiced to the Buyer.

6.9 If the Buyer has resold the Goods, or incorporated the Goods into or onto the Goods of the Buyer and the Buyer suffers an Insolvency Event or appoints Administrators, the liability for settlement of the Goods transfers to that of the Third Party.
